

Is renting just a stop on your path to homeownership? If so, make your next move a **GreatStart** and earn up to \$10,000 off your home purchase.*

Your Path To Owning A Home

3 Steps to a GreatStart:

1. Start your journey to homeownership by choosing a rental home from the wide selection of Goodwin Knight communities.
2. Schedule a private consultation with one of our expert lenders. They will help establish a personalized strategy to qualify for a mortgage and explain how to fulfill your rental obligations to qualify for the GreatStart incentives.
3. Obtain pre-approval with your lender, meet with one of our partners to find the home of your dreams and close on your brand-new home with up to \$10,000 of GreatStart incentives.

Congratulations! This is the day you transition from renter to homeowner.
