

GOOD NEIGHBOURS: AMICA'S REFERRAL PROGRAM

Have you heard about our Good Neighbours program? It's a great way to help your friends discover what life is like at Amica.

As a gesture of appreciation, we will extend a \$1,000* credit **each** to you and your friend.

To qualify you must provide our Community Relations Director the name of your referral prior to your friend's first tour at Amica. There's no limit to the number of people you may refer!

To learn more about our Good Neighbours Referral program, please contact a member of the Amica management team.
