The property has set aside 32 age-restricted, 55 and older, Permanent Supportive Housing (PSH) units for formerly homeless and chronically homeless households. Applicants must be 55 and older to qualify. All PSH units will be referred by PATH. At least 25% of the units (8 units) will be matched through the Coordinated Entry System. The remaining units will be filled through the Outreach and Matching plan noted in the Tenant Selection Plan. For information on the Coordinated Entry System, please call 2-1-1 or visit <https://www.lahsa.org/ces>.

The remaining units will be filled through a random lottery process. Parties interested in entering this lottery must complete a detailed application. All eligible applications will be entered into a random selection lottery. Lottery winners will then be placed on the property waitlist. The list of those selected in the lottery will be posted. The location and date of the posted list of lottery winners will be provided in a letter which will be sent to all applicants confirming receipt of their application.

The lottery winners who are invited to complete an eligibility interview are subsequently screened with an income verification, a credit check, a criminal background check and a remote interview.
