SMART HOME PACKAGE

PEG

LIVING MADE EASY

We recognize the power of technology in daily life and strive to create innovative solutions that enhance how our residents live and work. That's why we've customized a unique technology package to elevate your lifestyle and provide seamless opportunities to thrive throughout our community.

THE TECH SNAPSHOT

SMART HOME APPLICATION

One app to manage access and atmosphere throughout your home with controlled keycodes, thermostat programming, and add additional smart home features of your own! (Powered by Ambient)

SEEMLESS BUILDING ACCESS

Smart and controlled full-building access for you and your guests. Easily unlock doors throughout the community and share temporary codes with your guests or service providers.

ONLINE RESIDENT PORTAL

Stay connected through Rent Cafe to pay rent, submit service requests, connect with neighbors, find important information about your community, and more!

STREAMLINED PACKAGE SERVICES

Smart package lockers and/or rooms to store your packages, alert you of deliveries, and available to you 24/7 through Amazon Key.
