Credit: Credit is one of the most important elements to qualifying prospects. An investigative consumer report will be made regarding the consumer's character, general reputation, personal characteristics, and mode of living. If there are multiple applicants applying to live together in the same unit, the credit of all adult household members will determine whether the application is approved. An unsatisfactory credit history can disqualify an applicant from renting an apartment at the community. An unsatisfactory credit history is one that reflects past or current bad debts, late payments or unpaid bills, liens, judgments, or bankruptcies. All applicants will automatically receive their tenant screening report via a secure online link. An applicant rejected for unsatisfactory credit can review a copy of their credit report from the credit-reporting agency, correct any erroneous information that may be on the report, and resubmit an application to this community. All reports are prepared by:

RentGrow, Inc.
PO BOX 847851
BOSTON MA 02284-7851

Applicants with no credit history will require a Lease Contract Guarantor, subject to applicable laws.

CRIMINAL HISTORY STANDARDS:

Criminal History: A criminal background check will be conducted for each applicant, subject to applicable laws. The criminal search will be run for all previous addresses reported by the applicant(s). We will consider income and credit history before considering criminal history. Criminal history will only be considered if applicant meets the income and credit history standards outlined above. Applicants with prior convictions for manufacture or distribution of controlled substances within the last seven (7) years will be denied. Applicants with other specified convictions will have an individualized assessment conducted by the corporate office to determine whether the applicant poses a current risk to resident safety or property. Applicants deemed to pose a risk to resident safety or property will be denied.
