Trash Schedule

Trash is picked up every Wednesday. Trash cans must be placed curbside no later than 7:00 PM on Tuesday (the night prior to trash pickup). If trash cans are not curbside by 6:00 PM on Wednesday, your trash may not be picked up, and you will need to wait until the next scheduled service day.

MAINTENANCE TIPS

As a part of your cleaning, it's important to do a little dishwasher maintenance. According to The Washington Post, this should be completed monthly to prevent a buildup of germs.

- Run an empty dishwasher with white vinegar
- Clean the drain to prevent clogs
- Deodorize the machine by sprinkling baking soda on the bottom and running it on a half-cycle

And just like that your dishwasher will be as good as new! Remember, your dishwasher is a sanitizer and not responsible for doing all the hard work.
