

COMMUNITY DIRECTOR UPDATE AUGUST 1, 2026

COMMUNITY NEWS

Happy August! As summer begins to wind down, there's still plenty of fun to be had in our community. From upcoming resident events to important community reminders, this month's newsletter is packed with helpful information and opportunities to connect with your neighbors. Thank you for being a valued part of our community – we're glad you're here!

Trash Schedule – Trash is picked up every Wednesday. Trash cans must be placed curbside no later than 7:00 PM on Tuesday (the night prior to trash pickup). If trash cans are not curbside by 6:00 PM on Wednesday, your trash may not be picked up, and you will need to wait until the next scheduled service day.

MAINTENANCE TIP

Help keep your plumbing system running smoothly by being mindful of what goes down your drains and toilets. Items such as paper towels, feminine hygiene products, and excessive amounts of toilet paper can cause clogs. In addition, hair, grease, and food scraps can build up over time and lead to drainage issues. A few simple habits can go a long way in preventing plumbing problems and protecting your home.
