COMMUNITY NEWS

Trash Schedule – Trash is picked up every Wednesday. Trash cans must be placed curbside no later than 7:00 PM on Tuesday (the night prior to trash pickup). If trash cans are not curbside by 6:00 PM on Wednesday, your trash may not be picked up, and you will need to wait until the next scheduled service day.

MAINTENANCE TIP

Give Your AC A Breath Of Fresh Air – Did you know a dirty filter can make your AC work harder, increase energy use, and reduce airflow in your home? This month, check your filter. If it looks dusty, gray, or clogged, it may be time for a replacement. A clean filter can improve air quality, keep your home more comfortable, reduce strain on your AC system, and lower energy consumption. Come by the office and grab a filter today!

RESIDENT REVIEW

"Mr. Doug did a great job! He explain what he was going to do and he executed the job well. He was professional and kind. Mrs. Gabrielle was very professional. When I told her my concerns, she got on the job quickly. She even followed up with me about what they plan to do. Thank you Maintenance and Management team of Huntington Village of Warner Robins." – **D. Everett**
