

Building Information

Building Size: 79,312 sf
of Floors: 10

56 Sparks St.

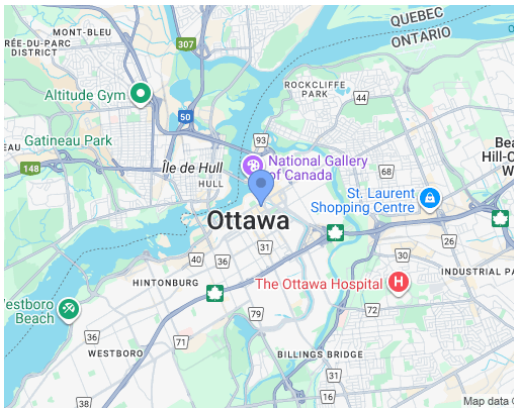

56 Sparks Street, Ottawa, Ontario K1P 5A9

Building Description

The **Ottawa-Hydro Electric Building** is bounded to the south by Queen Street, to the north by Sparks Street and to the east and west by commercial buildings. The building is in close proximity of Parliament Hill, the National Arts Centre, the Congress Centre and the Court House.

Features

The Ottawa Hydro-Electric Building is a designated Heritage building originally constructed in 1927 and purchased by Arnon in 1977. This 10-storey building has been fully upgraded and extremely well maintained. The offices are occupied by a diverse mix of long-term tenancies.
