

Experience an exclusive winter break in North Wales from £287.50 per room Kick back and relax, switching off from the hectic grind of everyday life in the tranquil world of The Bala Lake Hotel, Activity Base, and Spa

Enjoy a two or three night stay at Bala Lake Hotel on our popular winter break package consisting of overnight accommodation, a full Welsh breakfast every morning, together with a welcome drink on arrival, an express spa treatment and £50 credit to spend on any of our food menus.

The gem in this diadem is the Snowdonia National Park. With such a formidable mountain shield, it's little wonder that the northwestern county of Gwynedd has held tightly to Cymraeg language and culture.

Arrive at your leisure on the first day, your room will be ready from 2pm.

Your time is your own, you'll have plenty of things to choose from to keep you busy, or not... Rugged mountain trails to coastal paths and heritage train lines or to indulge in our spa or an afternoon tea in the comfortable sun lounge where you can settle down and relax after an active couple of days.
